

Dear Springfield disciples,

What are you expecting in your life? Do you have visions, goals and special plans prepared? What is your prayer for the future?

Our focus for Sunday worship is “Great Expectations.” In a world filled with uncertainty, we are reminded that faith calls us to trust God even when we cannot yet see the outcome. As people of faith, we are encouraged to believe that new possibilities, healing, hope, and joy are always within reach through God’s love and grace. The Rev. Dr. Martin Luther King Jr. shared, *“Faith is taking the first step even when you don’t see the whole staircase.”*

This Sunday, we will reflect on the importance of believing God for the very best in our lives. Even during difficult seasons, we can hold onto hope because we are in God’s hands, deeply loved, and never alone. God continues to guide us, strengthen us, and walk with us every step of the way.

I invite you to join us for worship on Sunday, whether in person or online. We look forward to worshipping together as a church family and growing in faith together. You are in my prayers every day. May God continue to surround you with peace, strength, and love throughout the week ahead.

Peace and blessings,

Pastor DeLishia
